LUNCHEONS

In January 1999, Guy Ann Sheffield responded to Captain Jack R. Stacey, Jr.'s request to take over the Orlando Police Department's Retiree's Association. Since that time, the Association has tripled in size and has a weekly newsletter read by over 500 subscribers. To keep the retirees in touch with each other, "Early Bird Breakfasts" and "Sleepy Head Luncheons" have been held in addition to the yearly Fraternal Order of Police sponsored BBQ/Reunion held at the FOP Lodge 25. These pictures are from luncheons, breakfasts, 2000, and the 2001, 2002 BBQ Reunions. Our membership spans many law enforcement agencies as our department members go on to other agencies continuing their careers. Many others join the private sector with their own businesses or join successful corporations. We are very proud of all our retirees who continue to contribute much to the communities and lives of those around them because of the training and love of humanity that Orlando Police Department taught them.
